## Work Experience

Perkins School for the Blind | Watertown, MA
**Web Developer**, August 2017 – Present

- **Lead developer** in Perkins' IT department where I handle requests to debug errors, develop enhancements and build new websites for the organization's different departments.
- Developed a **custom Drupal theme** to help the marketing department implement **Google's AMP** framework for blogs.
- Created **marketing website** for the inaugural PerkinsHacks Hackathon event www.perkins.org/hacks.
- Built an accessible **web based timeline** for the Perkins Archives department http://www.perkins.org/timeline
- Developed **fully accessible modal** component in order to increase web based donations.
- Trained in testing, debugging and developing enhancements and legacy HTML components on all of our websites to meet **WCAG 2.0 AA web compliance**.
- **Mentor and train web development interns** to develop modular and maintainable HTML, CSS, and jQuery.
- Constantly testing website updates in multiple browsers and devices to ensure **cross browser compatibility** and site **responsiveness**.

Coresecure | Cambridge, MA
**Front End Developer**, January 2017 – August 2017

- One of the lead developers for company's newest **static site platform** for clients using **Assemble, Grunt, Bootstrap and Github**.
- Participate in weekly **on-site consulting work** with long time client of company by developing multiple websites for re-branding and marketing material.
- Test front end code in multiple browsers and devices to ensure **cross browser compatibility** and site **responsiveness**.

Worcester Public Library | Worcester, MA
**Reference Librarian**, 2014 – 2017

- Evaluate and purchase video games, **web development, and computer programming collections** in the library.
- Collaborated with library's web master to **transition to new responsive site design using Drupal**.
- Continuously **update and modify content on website**.
- Maintain and update the library's web resources and evaluate new web resources submitted to library by outside vendors.

Goddard House | Brookline, MA
**Community Partnership Associate**, 2013 – 2014

- **Updated new content for organization's website using HTML and CSS** in the Cushy Content Management System.
- Edited, designed, and published monthly newsletter.
- Used **Google Analytics** to review website visits.

Monroe C. Gutman Library | Cambridge, MA
**Reference Intern**, 2012 – 2013

- Worked with Reference staff on collection development projects by ordering reference material and suggesting purchases.
- Conducted one-on-one research sessions with Harvard graduate students and visiting scholars.
- Built a library pathfinder for the Educational Leadership Program on **Harvard's Graduate School of Education website**.

Non Profit Capital Management | Sterling, MA
**Grant Writer**, 2008 – 2014

- Developed, edited, and wrote grant applications and proposals for clients to multiple Massachusetts State Agencies.
- Attended meetings with supervisor to learn more about client needs and their services to complete successful applications.
